

AYAN SHAHID

FULL STACK DEVELOPER

Karachi, Pakistan | ayanshahid1612@gmail.com | [Portfolio](#)

SUMMARY

Enthusiastic and self-motivated Full-Stack Web Developer with hands-on experience building responsive web applications using HTML, CSS, JavaScript, React, Node.js, and Bootstrap. Skilled in developing user-friendly interfaces and integrating front-end with back-end services. Strong problem-solving skills and a passion for learning new technologies. Eager to contribute technical skills and creativity to a dynamic development team.

TECHNICAL SKILLS

HTML5, CSS3	Node.js	Git and GitHub
Javascript (ES6+)	Express.js	Visual Studio Code
React.js	RESTful APIs	npm (Node Package Manager)

INTERESTS

Building Personal Web Projects

Enjoy creating websites and web apps to experiment with new technologies and improve coding skills.

Exploring JavaScript Frameworks

Passionate about learning and testing modern JavaScript frameworks like React and Vue to stay updated with industry trends.

Open-Source Contribution

Interested in collaborating on open-source projects to gain experience, give back to the developer community, and improve code quality through peer feedback.

UI/UX Design Trends

Follow latest trends in user interface and user experience design to create more intuitive and visually appealing applications.
